

FOR IMMEDIATE RELEASE:

**The Top Shop, Inc Achieves Prestigious Accreditation as Natural Stone Fabricator
by the Natural Stone Institute**

Denver, CO, August 30, 2023 – The Top Shop, Inc proudly announces its recent achievement as an Accredited Natural Stone Fabricator, a distinguished designation bestowed by the renowned Natural Stone Institute. This accolade underscores The Top Shop's mastery in fabricating and installing natural dimension stone, solidifying its position as an industry leader.

To earn the esteemed title of a Natural Stone Institute Accredited Natural Stone Fabricator, The Top Shop successfully navigated a rigorous three-phase application process. The company began with a meticulous completion of an extensive application. In the second phase, The Top Shop's proficiency was tested through a 200-question examination, evaluating its material utilization, installation techniques, fabrication expertise, restoration skills, meticulous care and maintenance, efficient administration, legal and contractual acumen, and paramount jobsite and shop safety. The third phase encompassed a comprehensive site visit, evaluating the company's facilities, documents, and installation sites.

James A. (Jim) Hieb, CAE, CEO of the Natural Stone Institute, emphasized, "*The Top Shop can now proudly showcase the accreditation seal, signifying their preeminence within the natural stone industry in terms of craftsmanship, safety protocols, and business ethics.*"

This achievement marks a significant milestone for The Top Shop as the 114th entity in North America to secure the prestigious Natural Stone Fabricator accreditation, and as only the seventh in the state of Colorado.
